

FootGolf Basic Rules

- Wear appropriate and comfortable golf attire.
- Tennis shoes or indoor soccer shoes only--no soccer cleats are permitted.
- The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot. Your foot should be set separate from the ball, clearly behind before each kick.
- Kick your ball from a position up to 6 feet behind the orange tee markers.
- The player farthest from the hole plays first. Make sure your kick will not interfere with the group ahead of you.
- Only a ball at rest may be kicked. You may not stop a ball that is rolling even if it is being blown by the wind.
- Play the ball from where it lies. You are not allowed to move the ball or remove objects in its way. Exception: any ball may be marked and lifted if it interferes with any other player's ball or kick.
- The player with the best score on the previous hole will kick off first on the next hole followed by the second best score and so on.
- If a ball lands in a water hazard (defined by red stakes) or is out of bounds (defined by white stakes) take 2 steps from the point of retrieval and drop the ball with a 1 stroke penalty.
- If your ball comes to rest in a sand trap, make sure you rake your foot prints after your kick.
- When on the green, removing the flagstick is optional.
- The pace of play standard for FootGolfers is 2 hours and 15 minutes. Please make sure to keep up with the group ahead of you. Groups falling behind our pace of play may be asked to move forward to recapture their position on the course.
- All food and beverage must be purchased from Yankee Run.
- Please respect all golfers and enjoy this great game!

It's a total Kick!

FootGolf Course at Yankee Run
